

Prayer to St. Gabriel the Archangel

Glorified Saint Gabriel, Archangel

I share the joy you felt

visiting Mary as heavenly Messenger,

I admire the respect wherewith you showed yourself to her,

the piety wherewith you saluted her,

the love wherewith, first among the Angels,

you worshipped the Word made flesh in her womb

and I beseech you that I may repeat

with your very same feelings

the salute you gave Mary then

and that I may offer with the same love

the respect you showed then

to the Word made flesh,

with the recital of the Holy Rosary

and of the Angelus Domini. AMEN
